Sequoits Fell Spartans; At Bensenville Friday; N. Chicago At Antioch

Varsity, Jayvees Continue to Lead Conference Standings

Antioch High continued her crushing tactics as she rolled over the Glenbrook Spartans here Friday night 63 to 57 and continued to lead the Northwest Conference in basketball.

It was a big night for Mike Haviland, who now leads the conference in total field goals although his fewer foul goals places him fourth in total points scored. He made 16 field goals for a total of 32 points.

The Sequoits will play at Bensenville tomorrow evening and on Saturday night will squeeze in a game with the North Chicago Warriors in the local tepee. This, a non-conference game, may prove to be a close one.

Friday night Antioch jumped away to a 10-point lead in the first quarter. The second and third quarters were played on fairly even terms, but the final quarter again was Antioch's.

In the preliminary the Sequoits Jayvees beat the Glenbrook Frosh-Soph team 43 to 40. At the half the score was 23 to 21 in favor of Glenbrook, but in the last half the Antioch players found the basket and were as much as 10 points ahead at one time.

Ed Hastie was high point man for Antioch with 14 points and Jerry Huml was second with 11. The victory gave Antioch undisputed lead in the conference standing, pushing Glenbrook down to a two-way tie with Bensenville for second place. It is this rapidly improving Bensenville team that they face next.

Northern Illini Bowmen To Meet February 17

The Northern Illini Bowmen of McHenry will hold their next meeting at 8 p. m. Feb. 17 at Sports Unlimited Rod and Gun Club.

Following the business meeting the entertainment chairman, Rudy Bryon will show films pertaining to archery.

Refreshments will be served by Clara Perry, Lake Villa, as chairman, assisted by junior members Norb Adams, Gene Stilling, Pat Buchey, Rick and Mike Wertz, Rich Schafer, Lloyd Kuehn, Jr., of McHenry, Charles Polton of Woodstock and Dennis Komars of Spring Grove.

The Bowmen have indoor shooting at Sports Unlimited Rod and Gun club on Thursdays at 7 and Sundays at 2 p. m.

Any one desiring further information about the club may attend one of these shoots, see or write Secretary Northern Illini Bowmen, Irene Adams, McHenry, or see Monte Miller, Main st., Antioch.

Will Hold Work Shop

Cermak's Sister Dies At Lake Worth, Florida; Another Relative Dies

On the arrival of Mr. and Mrs. Charles Cermak, Jr. at Lake Worth, Fla., last week, they were informed that not only had Mr. Cermak's sister, Mrs. Lillian Kincl, died Tuesday night of last week, but that Louis Novak, father of Mr. Cermak's sister-in-law, Mrs. George Cermak, had died that day, Thursday.

The funeral of Mrs. Kincl was held at 9:30 a. m. Friday at the Catholic church in Lake Worth and burial was in that city.

The body of Mr. Novak was brought to Chicago Sunday for burial there.

The Cermaks arrived home Sunday night. While making the trip to Chicago on their way to board a train for Florida, their car was wrecked in a collision in Chicago. No one was hurt.

Robert Webb Withdraws from Road Commissioner Race; 2 New Candidates

A new note was injected into what has been a dull campaign, even with five aspirants for the job of supervisor, when Robert "Bob" Webb, veteran Antioch township road commissioner, announced today that he would withdraw his petition for reelection on April 5th.

Webb said that he plans an expansion of his business at the Channel Lake channel and Route 173, operated as Webb's Marine service. He said that the business has grown to such an extent during past years that he no longer can spare the time to do justice to the road commissioner job and therefore was withdrawing from the race.

Two employees of the road commissioner's force have taken out petitions, James Runyard and Henry Palm. Both men have had years of experience on the township road work and are well qualified for the job. They will be opposed by Dick Waters, also of Channel Lake.

It is rumored that several more candidates will enter the race, now that Webb has withdrawn and a hot contest for the office is expected.

Student Council Starts Crusade for Freedom; Address Grade Schools

Appearing before grade schools in the district, Antioch High School students will make appeals next Monday and Wednesday for signatures to the Crusade for Freedom scroll, and such contributions as the young people wish to make.

It is the fourth year in which the Student Council has directed the crusade as a project of the American Heritage Foundation. The money collected is used to finance broadcasts behind the iron curtain.

Mitzie Wolf and Marcia Hogan will speak at 9 a. m. Monday at the Lake Villa school and Carol Cervinka at 10 a. m. at the Grass Lake school.

Ed Ring and Nancy Rentner will speak at 9 a. m. Wednesday at the Antioch Grade school and Garnet Seyfarth and Joan Forbrich at the same time at St. Peter's parochial school.

Speakers at that hour at the Emmons and Channel Lake schools will be Fred Clarke and Russell Gilday. During the second period Wednesday, Robert Petty, Robert David and Robert Cain and Phyllis Petersen will address the high school student body.

Mrs. Jeanette Tulumello is the teacher who counsels the council on the project.

Children Unhurt When Hribar Car Overtakes

Mrs. Lester Hribar of Indian Point was bruised but her child and two other neighborhood children were unhurt when the car she was driving skidded and rolled over in a ditch on the Grass Lake rd. just west of the Grass Lake school about 8:30 a. m. yesterday.

The three children were in the back seat and were afforded greater protection. Skidding was caused by the frosted condition of the pavement.

Mrs. Chase Webb III

Toft Buys Parsonage of Methodist Church for Gas Station Site

Ray Toft, proprietor of the Shell station at Lake and Main st., announced yesterday that he has purchased the parsonage of the Antioch Methodist church for the site of a new Shell service station.

The transaction was confirmed by Louis A. Biel, member of the church board, who said that the church is now seeking another residence in the northern part of the village.

Sale of the property at Lake and Broadway was approved by the Rock River conference of the Methodist church last fall after the congregation gave its approval.

Toft plans to sell the 7-room frame house now occupied by the Rev. Howard Benson, pastor of the church, and Mrs. Benson, and it probably will be moved to another location in the village.

His lease on the service station he now operates extends nearly a year and the church still has approximately 100 days before it is forced to give up use of the parsonage.

Three Antioch Youths Hurt in Car Crash in Which Man Was Killed

Three Antioch High School students were hurt when the car driven by one of them, Harry Lindgren, 17, RFD 2, Antioch, and another car driven by Vladimir Macik, Jr., 26, of RFD 2, Kenosha, collided on Rte. 50 west of Kenosha Sunday evening.

Macik died from his injuries. Miss Patricia Haydon, 17, daughter of Mr. and Mrs. Marshall G. Haydon of Rte. 173, suffered a fractured jaw and the loss of several teeth when she was thrown against the dash of the Lindgren car. Lindgren, the driver, who is the son of Mr. and Mrs. John E. Lindgren of Bluff Lake, received a knee injury, and James McMillen, 17, son of Mayor and Mrs. James McMillen, received a slight bruise.

The accident occurred at the Truesdell viaduct. Lindgren, driving a heavy Cadillac used as a push car and having a heavy rail bumper, was driving east and Macik was going west.

Macik drove around a car going up over the viaduct and was about to meet the Lindgren car when both drivers swerved to the left. The door of Macik's car was knocked off and he fell to the pavement. He was able to get up and lean against his car which had continued 50 feet beyond the point of contact, but was seen to slump and was pronounced dead a short time later.

The driver of the car Macik passed told police the Antioch driver was in no way to blame for the accident and the youths were released, although it was necessary to take Miss Haydon to the Kenosha hospital for first aid. She had just had extensive dental work done.

Mayor McMillen drove to Kenosha and brought the boys home and the girl came later.

V.F.W. Announces Gift Of Patriotic Booklets And Essay Contest

In the fall of 1954 the Veterans of Foreign Wars, Sequoit Post No. 4551 Antioch, launched an Americanism program in the schools in the Chain O' Lakes area. At that time they gave to the schools a set of patriotic records and pamphlets. Members are happy to announce that this program which was started in this area has already spread to surrounding districts, with inquiries being received from other V. F. W. posts throughout the state.

They now announce the second half of this Americanism program. The schools have received for their libraries a booklet on the Declaration of Independence, also cards with the preamble to the constitution of the United States and the definition of Americanism.

These cards are to be made available to the students desiring them. Also the local post is announcing an essay contest for the students of the schools of this area. Both grade and high schools may compete—each in their own class.

The essay is to be titled "Flag of Freedom." There are very many things that can be written about the country's flag and it should give the students the opportunity to express their views.

Illustrates Oil Usage

The Business and Professional Women's club heard an illustrated lecture Monday evening, given by a representative of the Standard Oil Co. An amazing number of products are made from petroleum is shown.

Merchants Will Offer Bargains Tuesdays for Shopping Bus Riders

Chamber of Commerce Will Tackle Off-Street Parking Problem

Antioch area shoppers who take advantage of this village's free bus service on Tuesdays will find an added attraction hereafter.

The Chamber of Commerce, many of whose members support the service, has arranged for the merchants to offer especially low prices on certain highly desirable merchandise each Tuesday.

Some of the prices may be even below cost as the merchants seek to encourage the shoppers to visit their stores.

The bargains will not only be for those who make the trip by bus, but for the general public.

The merchants will agree to have plenty of merchandise of the kind offered so that those who come to Antioch by bus will in no way be penalized by earlier shopping. This will eliminate any "come-on" numbers.

Attendance at the Chamber of Commerce meeting Monday at Smart's Country House was doubled as the result of the many guest merchants.

Officers of the organization viewed with satisfaction the success of the chamber in obtaining volunteer auxiliary police force for the village. Greater protection of property is expected through 24-hour police patrol.

The problem of off-street parking will next be tackled by the chamber.

Edward Kanning, 70 Dies at Lake Shangrila

Edward Kanning, 70, of Lake Shangrila subdivision, died at 4:30 p. m. Sunday at the home of his son in that community.

Mr. Kanning was born Sept. 21, 1884 in Germany and came to America in 1910, settling in Chicago. He lived there until 1953 when he came to Lake Shangrila to live with his son. He was a retired blacksmith.

Surviving is the son, Harold. The wife, Bertha Blueborn Kanning and a daughter, Edna Kanning, preceded him in death.

The funeral service was held at 1:30 p. m. Tuesday at the Strang Funeral home with the Rev. Myron J. Hoff of Long Lake Evangelical Lutheran church officiating.

Nicholas Blitsch, 88, Paddock Lake, Dies; Funeral on Saturday

Nicholas Blitsch, 88, of Paddock Lake, Wis., died at 4 p. m. Wednesday, Feb. 9, in St. Catherine's hospital, Kenosha, where he was taken Jan. 26.

Mr. Blitsch was born Dec. 16, 1866, at Shelbyville, Mo., and lived in Dubuque, Iowa, and Chicago before coming to Paddock Lake in 1935. He was a member of the Holy Name church at Wilmot. His occupation was that of a brakeman on the C. & N. W. railway for 40 years and was a member of the Brotherhood of Railway Trainmen.

Surviving are two sons, Irving of Chicago, and John of Brookfield, Ill.; two grandchildren and four great grandchildren. He was preceded in death by his wife, Minnie, on Nov. 18, 1945.

The funeral service will be held at 9 a. m. Saturday from the Strang funeral home in Antioch to the Holy Name church in Wilmot where the service will be at 9:30 a. m. Interment will be in the Holy Name cemetery.

Friends may call after 7 p. m. today at the funeral home.

Aid Ski Victim at Wilmot

The Antioch Rescue squad took a military veteran from Wilmot Hills to the Veterans Administration Hospital at Downey Sunday afternoon after he suffered a fracture of bones in his right leg below the knee in a fall while skiing. Squad members did not learn his name.

Lions to Meet Monday

Lakeland Players Elect New Officers, Invite Others to Join Club

The Lakeland Players, Antioch's well established theatrical group, have chosen as officers for 1955, Robert Taylor, president; Robert Lindblad, vice president; Annette Stieber, secretary; and Jack Stieber, treasurer.

The organization comprises persons who are interested in all phases of the drama. To put on a play, actors are not the only demand; in great need are the director, stage manager, sound effects man, property man or woman, make-up, prompters, and publicity men and advertising managers. There can be no play without these different and individual groups working together.

The Lakeland Players have two meetings a month. The first Thursday is devoted to business and the third to a social meeting, both starting at 8 p. m. They are held at the homes of members.

New members are invited. No one is obliged to act, but may take part in some other capacity. Further information is obtainable from Dorothy Lindblad, Antioch 899 or Annette Stieber, Antioch 333-R.

Music Groups Prepare for Winter Concert at Antioch High School

The Girls Glee club and the A Cappella choir of Antioch Township High school are preparing for a concert to be presented at 8 p. m. Saturday evening, Feb. 26. Besides the choir members there will be featured solos and ensembles as well as singing by the Boys Glee club.

Something new in Antioch High School concerts will be the presentation of a group of songs from a popular musical. The choir will join to present a resume of the musical hit "The King and I."

This will be the first time that the public will see in use the new portable chorus risers purchased this year.

Officers of the organizations are in charge of planning the concert. The presidents are Judi Romer, a cappella choir; Don Cardiff, Boys glee club; and Joan Mair, Girls glee club. Music director is Louis Chenette.

Mrs. Jacob Kauten, 70 Dies at Trevor Home

Mrs. Katie Kauten, 70, of Trevor, Wis., died at 2:45 a. m. Sunday at her home after a 6-month illness.

Mrs. Kauten was born July 2, 1884 in Tramasfalva, Hungary, and came to America in 1907, settling in Cincinnati where she married Jacob Kauten on April 29, 1908 and came with him to Salem township, Wis. There she lived the rest of her life. She was a member of the Holy Name church in Wilmot.

Surviving relatives are her husband, Jacob, and a daughter, Mrs. Susie Bernhoff of Trevor.

The funeral services were held at 9 a. m. Wednesday from the Strang Funeral home to the Holy Name church at 9:30 with interment in Holy Name cemetery at Wilmot.

Republican Club Hears Report on Zone Change

The Antioch-Lake Villa Township Republican club heard a report on proposed changes in the Lake county Zoning ordinance as relates to sign board and other advertising signs.

The zoning laws in this respect have been under fire for some time and a meeting last Saturday in Waukegan was adjourned until February 18. A committee of club members was appointed to attend the meeting to be held the 18th, with a list of suggestions for the change.

Other business at the meeting saw Austin Norling appointed chairman of a nominating committee, which will choose candidates for offices of the club for the coming year. Serving on the committee with Norling are Dr. G. W. Jensen, Dr. W. A. Biron, Barney Barnstable, and Will Engle. The committee will report at the March meeting when election will take place. The March meeting will be held at Lake Villa.

Autos Damaged in Collision

Autos of Walter I. Dibble, 285 Chestnut st., and Orville Smith of Planagan, Ill., were badly damaged in a collision at Main and Chestnut sts. Tuesday afternoon. Dibble has a new 1955 Plymouth and Smith was driving a 1954 Buick. Smith, who has been visiting his daughter at Loon lake was driving north into the village and Dibble was making a left turn on Chestnut st. while going south. No one was hurt, Police Chief Walter I. Scott said.

Antioch And Emmons Grade School Boards Study Consolidation

Exploratory Meeting Shows Facts on Financial Situations

The Antioch Grade School Board of Education and the Emmons School Board and a fact-finding committee from the Emmons district, met in a joint session Tuesday night and studied the possibilities of consolidating the Emmons School district with the Antioch Grade School district.

The meeting was purely exploratory and a fact-finding venture on the part of both boards. Some of the facts brought out were as follows:

Assessed valuations—Antioch district 34—\$13,093,221; Emmons district 33—\$2,295,660.

Total tax rates—Antioch district 34—\$1.046; Emmons district 33—\$.50. Per capita wealth back of each pupil—Antioch district 34—\$22,572; Emmons district 33—\$42,512.

Unencumbered bonding power—Antioch Dist. 34—\$335,161; Emmons Dist. 33—\$114,783.

Bonds outstanding—Antioch Dist. 34—\$319,000; Emmons Dist. 33—None.

It will be seen from the tax rate given above that the Emmons rate is very low, less than one-half of the Antioch Community Consolidated school district. Consolidation would mean raising the Emmons rate to a level with that of Antioch. In addition, the Emmons district taxpayers would assume their proportionate share of the present bonded indebtedness of the Antioch district.

According to HB76 passed July 13, 1953, now included in the Illinois School code, under section 4B-12, bonded indebtedness of all parts of new or altered districts will be spread over the entire new district, rather than over that part of it which incurred the bonded indebtedness. This would mean that the cost of the addition to the Antioch school erected last year, would be paid by the new district, which would include Emmons; if the district is annexed to Antioch. The Antioch district has \$319,999.00 outstanding in building bonds, the Emmons district has none.

Principal Richard Whitacre of Antioch grade school said today, that the Emmons board is faced with the necessity of providing more room for the growing enrollment. He also said that while the Antioch school is handling a few upper grade pupils for the Emmons district, the addition of the sixth grade to the already crowded sixth grade at Antioch would necessitate opening of a third sixth grade room, at a cost of approximately \$5,500 annually. This could not be handled satisfactorily on a tuition basis, since the income from the tuition of pupils would not cover the extra cost.

No official action was taken at the meeting, both boards wishing to make further study of the problems involved, before taking action.

Firemen Will Complete Uniforms With Jackets; Prepare for County Event

Members of the Antioch fire department soon will have new blue gabardine jackets of the Eisenhower design to go with their uniforms. The men were measured for the jackets Tuesday night at their regular meeting at which they began to make plans for entertaining the representatives of fire departments from all parts of Lake county.

Money for the jackets will come from the cashing of government bonds that were purchased with money earned through public dances and which have now matured.

The jackets, Chief Edgar Simonson said, will be more practical than coats, especially in the summer time when the men attend conventions on hot days. They will be better fitting than the coats that many of the men are now having to wear. Trousers and shorts for the uniform already have been purchased.

Juniors of A.T.H.S. Stage Talent Try-out

The juniors of Antioch Township High school staged their Talent Show tryouts before the school Tuesday and from these numbers the Student Council and teachers will select three for an all-school show to the public.

The program included a skit "Shooting of Dan McGrew," eight-member dance group entitled "Black Magic," instrumental number by the Cotton Pickers, tap dancing, a vocal solo, two duets, vibra harp number, and a pantomime.

The sophomores will give their show on February 22, and the freshmen on March 1.

Economic Highlights

One of the oldest, strongest and best institutions in American life is the weekly newspaper. Almost anyone will agree that a town without a newspaper doesn't amount to much. The weekly is a running record of history—of life and death, of tragedy and achievement, of change and progress. It is a fighter of battles in causes it holds to be right—in politics, economics, civic problems of many kinds. It is close to the people who read it and whose activities make it. More than any other factor, probably, it binds the community together, providing purpose, coherence, and direction.

Yet, like so many other good and essential things, most of us take the country paper for granted. Year in and year out, without fail, it comes to us each week. It's not likely that many think of what life would be like without it.

Now and then, however, the weekly gets some of the credit it deserves. That has happened on several occasions in recent months. An interesting example is found in a bill introduced by Senator Daniel of Texas, on behalf of himself and Senator Johnson, the new majority leader, providing for the establishment of a National Library of Weekly Newspapers. A companion bill was introduced in the House by Representative Gentry of Tyler, Texas.

In a speech on the Senate floor, Senator Daniel said: "This bill would help to preserve that great portion of the true history of our Nation which is recorded in pioneer weekly newspapers and in currently published weekly papers of the United States. . . . During the early years of our Nation's history we had only weekly newspapers. Even today, the educational, social, political, and religious history of a great portion of our population can be found only in the files of these weekly publications. . . . There are thousands of weekly newspaper files which have been preserved. Others have been destroyed, and in the future there is likely to be continued loss of this valuable historical material unless something is done to encourage its preservation."

Another tribute came from a big-daily newspaperman—Lloyd Taft, son of the late Senator Robert Taft, and assistant publisher of the Cincinnati Times. He told a press association gathering that "Big city papers talk more and more about editorial influence and exercise less and less of it, while weeklies continue to gain an advantage. . . ."

An extraordinary example of this influence occurred last November in South Carolina, a state in which nomination on the Democratic ticket has always been tantamount to election. Due to certain political developments, a feeling grew that this time the voters were getting a bad deal. A campaign was started urging that voters write in the name of J. Strom Thurmond instead of marking the ballot for the regular Democratic nominee for the U. S. Senate. This campaign was supported by 73 of the state's 86 non-dailies, along with all but two of the 16 dailies.

Even though former Governor Thurmond is a popular figure in the South, success seemed impossible—no U. S. Senator had ever been elected by write-ins; the established political organizations were naturally 100 per cent against the movement, and South Carolina balloting methods make the write-in process mechanically difficult. But the press shot the works on Thurmond's behalf. The result: There was an avalanche of write-ins and he won by a majority which, under the circumstances, was all but unbelievable—143,444 to 83,525. The papers were so decisive a factor in bringing this about that Editor & Publisher wrote: "When J. Strom Thurmond took his place in the United States Senate . . . he could have raised his good right hand, if he were so inclined, and sworn truthfully that he represented the Fourth Estate."

Grass Roots Opinion

RED BEND, ILL., PILGRIM: "There is a large number of people who by their actions aid the cause of socialism, although they are frequently unaware of the direction they are traveling. Most are sincere people. If the choice was direct they would be against state socialism but the things they advocate would, if put together, make it a genuine reality."

SHARP PARK, CALIF COASTSIDE TRIBUNE: "Nobody (including the local newspaper) thrives . . . in backward communities that are afraid to move forward, and therefore get left behind. Nobody thrives when property values dwindle, when taxes are burdensome."

CHISHOLM, MINN., TRIBUNE-HERALD: "The new French Government's milk campaign is designed to curb alcoholism . . . The government crusade is a noble one, but like all crusades it will not be accepted easily. The French people, like all others in the free world, dislike being told what to drink by their government."

* * *

The Low Down From Hickory Grove

Today I come to the aid of 48 governors, legislatures, town councils, and the Boys there under the nation's Big Dome. Most of them have the wrong scent—they are cruising around at random on the wrong track. Also they don't actually know what the home folks really want. They imagine the home folks want something more than they have now, but 'tain't so—what the home folks want is less versus more. Folks are fed up with more—being more looked after, paying more taxes, treated as not being able to look after themselves. I say folks have taken these surmises and treatment too docile like.

All types, kinds and sizes in Govt.—small town, big town—mayors, governors and congress have the notion that they must scare up something new to propose to a citizenry that already chooses to be left alone. To put over their "guide-us" programs they need new and novel ways of raising obscure—painless they say—varieties of taxes. We are already too much looked after. Our payrolls ooze with guys and gals roamin' the land from sun-up to the gloamin'—all of 'em eating high on the center cuts. Little business, big business, picks up the check.

My slogan would be "where can we trim sail versus hiring a bigger crew." Some senator or mayor or budget builder can garner himself publicity and votes if he should do such an unprecedented oddity. We been a demon for punishment lo! too long, and the cry for taxes, it never ceaseth.

Yours with the low down,
JO SERRA

Auxiliary News

Antioch Unit No. 748 American Legion Auxiliary will hold its regular meeting Friday, Feb. 11 at 8 p. m. in the Legion Home.

The meaning of "True Americanism" will be stressed by all the 933 American Legion Auxiliary units in Illinois, throughout the month of February, according to Mrs. Dorothy Horan, president of Antioch unit. With the birthdays of two great Americans, George Washington and Abraham Lincoln occurring in this month, February was selected as the most plausible month for the observance of patriotic programs. Throughout the state, special meetings and programs, some small, some elaborate, will be held, for the purpose of awakening the public to the advantages of their American heritage. "Life, Liberty and the Pursuit of Happiness" are but three of the many blessings which we, as free people of a free nation, enjoy every day of our lives," said Mrs. Lucy Himens, chairman of the unit's Americanism committee. Mrs. Himens will present a special Americanism program at the regular meeting of Antioch unit on Feb. 25 at 8 p. m. in the Legion Home.

Mrs. Bess Dunn, of Waukegan, will be guest speaker of the evening and her subject will be "Flags That Have Flown Over the United States." Mrs. Dunn has authentic flags that she will display during her talk.

Americanism Essay Contest
A special feature of the Auxiliary's all-year-round Americanism program, is the essay contest. Students in eighth grade and high schools are asked to write a 500 word essay on "What Freedom in America Means to Me." Each unit contacts the schools in its community. The Unit Americanism committee will judge the essays and select the first and second prize winning essays not later than Mar. 1st and will then send these winning essays to the District chairmen for judging. They in turn will select a first and second winning essay from all Unit entries in their respective districts by March 15 and will send these to the State Americanism committee for judging. Two winners will be selected by the state and presented with prizes at the Illinois Patriotic Conference of the Auxiliary on March 24 in Chicago.

Distribution of Flag Codes, Flag Etiquette and Education, Citizenship class and U. S. History classes are a part of the Auxiliary's program.

MILLBURN

Regular services at Millburn Con-
gregational church Sunday, Feb. 13
will include Sunday School at 9:45
and church services at 11 o'clock.
"Open House" in honor of Miss Una
Jean Minto, who will soon be leav-
ing to take up residence at "Pilgrim
Place", Claremont, Calif., will be
held in the church recreation room
Sunday afternoon from 2 to 5
o'clock. All are welcome.

The Rev. and Mrs. L. H. Messer-
smith attended the "Recognition Ser-
vice" for the Rev. Theodore Frank,
held in the Waukegan Congrega-
tional church Sunday evening. The
Rev. Frank is the new minister of
the Waukegan church.

There will be a public card party
in St. Patrick's church at Wads-
worth Sunday, Feb. 13, at 1:30 o'-
clock. Euchre, 500, pinocle and
bunco will be played.

Mr. and Mrs. Howard Petty and
daughters of Urbana, Ill., spent the
week-end at the Leslie Bonner
home. Joanne and Carol Petty took
part in the Tri-State skating meet
in Lord's Park, Elgin, Saturday and
Sunday.

Mr. and Mrs. Eric Anderson and
daughter, Rebecca, and Mrs. Anna
Bauman were supper guests at the
Chester Lundgren home at Barrin-
ton Sunday evening.

R. S. Carr left Chicago by plane
Monday morning to visit his brother
and family in Calgary, Alberta, Can-
ada, for ten days.

Twenty-five attended the meeting
of the Men's club Monday evening.
Mr. Bennett of the Social Security
office in Waukegan was the speaker.

Evelyn Wright and Mrs. Sophrona
Murrie were dinner guests of Mrs.
Vera Zimmerman Friday evening in
honor of Mrs. Wells' birthday.

Mr. and Mrs. Ed Hoffman and son
George were callers at the Fred Le-
able home at Roscrans Sunday after-
noon.

Mr. and Mrs. Leslie Bonner left
Monday on a two weeks' vacation
trip to Florida.

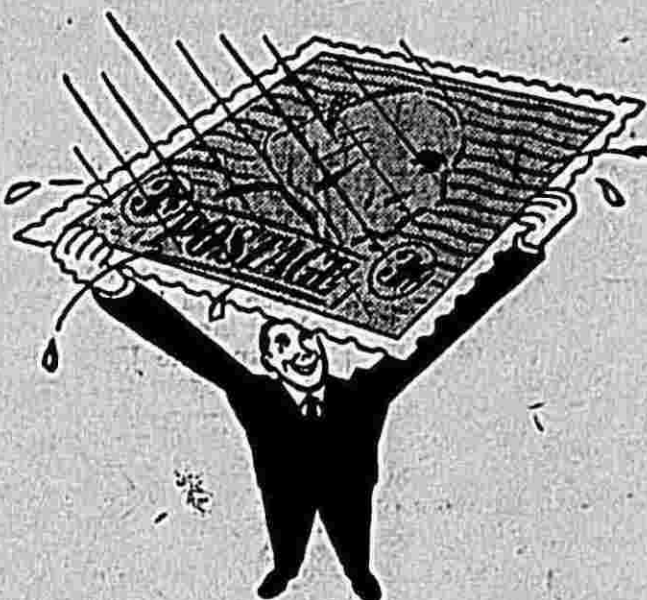

Mr. and Mrs. Robert Erwin of
Waukegan were callers at the Frank
Edwards home Sunday afternoon.

Mr. and Mrs. Ernest Wells and
Mr. and Mrs. Eric Anderson were

dinner guests of Mr. and Mrs. Fred
Kirchmeyer in Waukegan Saturday
evening in honor of Mrs. Kirch-
meyer's parents, Mr. and Mrs. Harry
Herrick of St. Olaf, Iowa.

Mrs. Ray Boller, Mrs. James La-
hey, Mrs. William Paulsen and Mrs.
Chalmers Wooley of Millburn P. T.
A. attended the annual Founders
Day dinner of the Lake County Par-
ent Teachers Council held at Grant
Township High School Wednesday
evening. Miss Phyllis Lahey as a
prospective teacher was a guest at

the dinner.

How many "horses" would you like?

Created for drivers who put a pre-
mium on blazing acceleration, the
"Super Turbo-Fire V8" has all the
advanced engineering features of
Chevrolet's V8 design... plus dual
exhaust system and a four-barrel car-
buretor. Optional at extra cost.

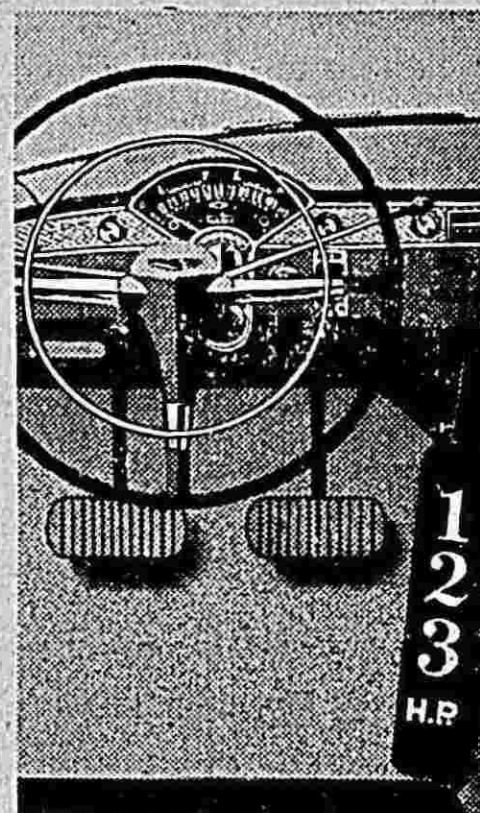

A silk-lined cyclone of power, the
"Turbo-Fire V8" boasts the shortest
stroke in the low-price field. More
compact than other V8's, it has the
highest compression ratio (8 to 1)
in its class... and the exclusive
Chevrolet 12-volt electrical system.

The "Blue-Flame 136" takes ad-
vantage of the cushioning effect of
Powerglide* to set the standard of
six-cylinder valve-in-head efficiency,
gives the ease of automatic shifting
at lowest price. It, too, has 12 volts
... and quiet hydraulic valve lifters.

*Optional at extra cost.

The ultimate development of Chev-
rolet's 26 years' experience with the
valve-in-head six, the "Blue-Flame
123" is the world's yardstick for
automotive value. And its thrifty 7.5
to 1 compression offers performance
that is gratifyingly smooth and lively.

All with the style that's stealing the thunder from the high-priced cars

No matter which engine you choose, you get Chevrolet's sparkling-new body design, the smartest styling on the road. You get that commanding view through the Sweep-Sight windshield, visibility that lets you see all four fenders. You get a velvety ride you never expected from a low-priced car... a "big-car" way of going that stems from the flexing ease of Glide-Ride front suspension, the stability of outrigger rear springs. You get your pick of three modern drives, a full range of power assists... and you get all this with Chevrolet's well-known thrifty ways. Come drive a Chevrolet and discover the whole story!

SOCIETY EVENTS

Marjorie Stoxen Bride Of Robert Kruzan At Wilmot, Wis., Saturday

The marriage of Miss Marjorie Stoxen, daughter of Mrs. Austin Stoxen of Wilmot, Wis., to Robert William Kruzan, son of Mr. and Mrs. William Kruzan, Bassett, Wis., took place at 11:30 a. m. on Feb. 5, at the home of the bride, with the Rev. Robert Smith officiating.

The bride chose a ballerina length gown with a fitted bodice and sweetheart neckline outlined in lace. The skirt was of nylon net over satin. Her fingertip veil was attached to a jeweled crown. She carried a spray of white camellias and hyacinths.

Mrs. Lowell Pitts of Wilmot, cousin of the bride, was matron of honor and was attired in an icicle blue ballerina length gown with a scoop neckline and fitted bodice. She carried a cluster of pink camellias. Mrs. Charles Hollencamp, Twin Lakes, sister of the bridegroom, served as bridesmaid. Her gown and flowers were identical to those of the matron of honor.

Attending the bridegroom as best man was Harry Stoxen, brother of the bride. Charles Hollencamp of Twin Lakes was usher.

Dinner was served to the bridal party and the immediate family following the ceremony and a reception was held at El Rancho Pasadena in the evening.

The bride is a graduate of Wilmot high school and is employed as secretary at the school. The groom is a graduate of Mellen high school at Mellen, Wis., and is employed at the Hartnell Chevrolet Sales at Salem. The couple will reside at the Stoxen home after a short wedding trip through the south.

Married At Wilmot Last Saturday

Miss Marjorie Stoxen, daughter of Mrs. Austin Stoxen of Wilmot, exchanged marriage vows with Robert William Kruzan, son of Mr. and Mrs. William Kruzan of Bassett, Wis., at the home of the bride Saturday.

Honor Past Leaders Of Antioch Woman's Club With Review Program

Past presidents of the Antioch Woman's club were honored Monday at a successful meeting conducted by President Mrs. Louis Biel at the Scout House.

The meeting was well attended. A salad buffet luncheon was served first and nine of the 20 past presidents who have served since the club was organized in 1920 were present including the first president Miss Alice Smith.

Letters were read from five others who could not be present.

With a musical background appropos to the time, provided by Mrs. Earl Hayes, Mrs. Biel and Mrs. Clarence Spiering, program chairman, traced the history of the club with comments about national politics, fads, music, and entertainment popular in those years. They ranged from the "Charleston" of the 20's to revived "Charleston" of the past two years. Each president in turn gave a little talk on her experience in office, and a history of the Antioch library, a project begun by the new Woman's Club in 1921 was traced to the present.

Past presidents who were present are Miss Alice Smith, and Mesdames O. C. Mathews, W. H. Osmond, John Horan, Edmund Vos, Thomas Pechousek, John Brogan, A. H. Kaufmann, and M. H. Radke.

Several new members welcomed into the club are Mesdames Richard Carlucci, S. W. Bailey, Irving Elms, Norman Benson, Gordon Malgard, Fred Washburn, and J. W. Van Paten.

The hostess committee for the afternoon comprised Mesdames Gus Mantis, chairman, George Jaros, Lulliver Lasco, Joseph Horton, Earl Hays, M. C. Cain, William Lemke, and Albert Dittman.

Father-Son Day at St. Peter's Sunday

All fathers and sons of St. Peter's Parish will receive Holy Communion Sunday at the 8 o'clock mass. The Catholic Boy Scouts are planning to attend the Father and Son day.

All men of the parish are asked to participate by receiving Holy Communion with the Holy Name society, and by attending the breakfast immediately following the mass, in the church hall.

Billy Goetz, the wrestler, will be guest speaker.

A large attendance is anticipated.

CHANNEL LAKE CHICKS 4-H ORGANIZES AND ELECTS

The Channel Lake Chicks 4-H club held an organization meeting Feb. 2 at the Channel Lake school and elected as officers, Virginia Smith, president; Charlene Rudolph, vice president; Ellen Homan, secretary-treasurer; and Pat Wallace, reporter.

The project for the club this year will be sewing, under the leadership of Mrs. Burnett Smith and Mrs. Frank Royer. The club will meet the first and third Wednesdays of each month at the Channel Lake school.

Enroll at Lake Forest

Robert Duha, son of Mr. and Mrs. Robert Duha, Bluff Lake, Antioch, and Robert Hernquist, son of Mr. and Mrs. Sam Hernquist, R. F. D. 2, Antioch, are enrolled as freshmen at Lake Forest college. Both are graduates of Antioch Township High school.

Mr. and Mrs. Harry Jensby of Cary, Ill., were visitors last Wednesday at the home of Mr. and Mrs. Henry A. Mau of Lake Marie, Shady Nook.

Crystal Lake Chapter Performs Local Service For Women of Moose

Ritual Chairman Mrs. W. Good and her committee had Crystal Lake Chapter 735, Women of the Moose, last Thursday, Feb. 3 at Antioch Moose lodge observance of Ritual Chapter night.

Crystal Lake officers in attendance were Senior Regent Irene Zellar, Guide Loretta Sobert, Assistant Guide Clara Maynard, Pianist Catherine Spangard, Argus Rachel Tomasson, Sentinel Rose Krause, Chaplain Rose Vratney, Recorder Imogene Ruckstuhl, Treasurer Claire Boyle and Ritual Chairman Metha Kaiser. Mrs. Thomas Radke, sponsored by Mrs. E. Kosar, was welcomed into the Defending Circle.

The Antioch Chapter has been selected hostess chapter for the celebration of Mooseheart Baby Village Day on March 20 which has been designated as a day to raise funds for the redecorating and refurbishing of the Mooseheart Baby Village. Zion, North Chicago, Waukegan, Harvard and McHenry chapters will be participants in the ritualistic ceremony.

Junior Regent, Mrs. N. Jung, announced a baby photo contest for the co-workers sponsored by the publicity committee. All snapshots should be in by the first meeting in March. Ritual Chairman Mrs. Good and her committee, Mesdames L. Palmer, L. Stowe and D. Gaa, served refreshments following the meeting.

Card of Thanks

I wish to thank my friends, neighbors, employers and employees of Active Specialty Co. and especially Father Henderson and Father Johnson for their kind expressions of sympathy extended to me during my recent bereavement.

Mrs. Anna Schefke

N. U. Journalism Dean Addresses Men's Club

Kenneth E. Olson, dean of the School of Journalism at Northwestern University, was the guest speaker at the Ladies Night dinner of the Men's club at the Methodist church Monday.

He and Mrs. Olson were introduced by Charles Watson and before the talk Mrs. Olson showed slides of Greece they had obtained two years ago.

Dean Olson served as a journalist advisor in connection with the Part Four program in which the United States offered technical assistance abroad to fight the cold war.

Olson helped introduce classified advertising and helped with retail advertising. He taught classes in journalism with an enrollment of 400 Greek students.

The speaker declared that both Greece and Turkey would now be behind the iron curtain had not England and the United States helped Greece regain its economic stability.

Emmons Card Party

Emmons School Mothers' club will hold a card party at 8 p. m. Monday at the school. The event is public and tickets are on sale. The price will include refreshments. There will be a prize for each table, and other prizes provided by 16 Antioch stores.

Card of Thanks

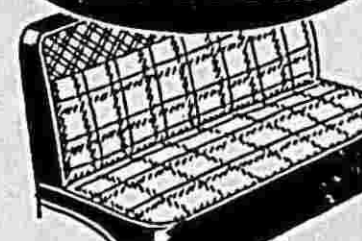

I wish to thank my friends for

Conservation Day Next Monday at Central High, Specialists to Be There

The Wisconsin Conservation department plans to have five teams of technicians and specialists visit a number of high schools throughout the state during the months of January and February. This is an expansion of an idea which was started a couple of years ago in the northeastern section of the state, and last year reached 91 high schools in all areas of the state, and Central High school at Salem will host this all-day program Monday. The public is invited.

The purpose of the visitations is to acquaint the high school students with the work the department is doing in forestry and fish and game management. The teams are made up of foresters, fishery biologists, game managers, forest rangers and law enforcement officers.

Students have an opportunity to see how some of their text book sciences serve as a basis for the management procedures of fish, game and forests; how regulations are largely a protection of rights of the individual, and how the outdoors may be enjoyed to the fullest with safety. Safety is stressed in the warden's phase of the program. Safe casting is demonstrated and an array of exploded guns tells the story of careless use of firearms. Apparatus and models help to illustrate fish management procedures. Skins of popular game birds and head skeletons of predators are used to explain one phase of game management. A big red pine log is placed in the forestry room and is used by the forester as he explains the use of instruments used to determine tree growth and board feet.

The high school visitations are not intended to take the place of any regular conservation instruction but are intended to supplement the work the schools are carrying on by bringing to their attention a few of Wisconsin's conservation problems and what is being done to meet them. Pictures and additional information on the "Conservation Day" programs for high schools appear in the March, 1953, and May, 1952, copies of the Wisconsin Conservation Bulletin.

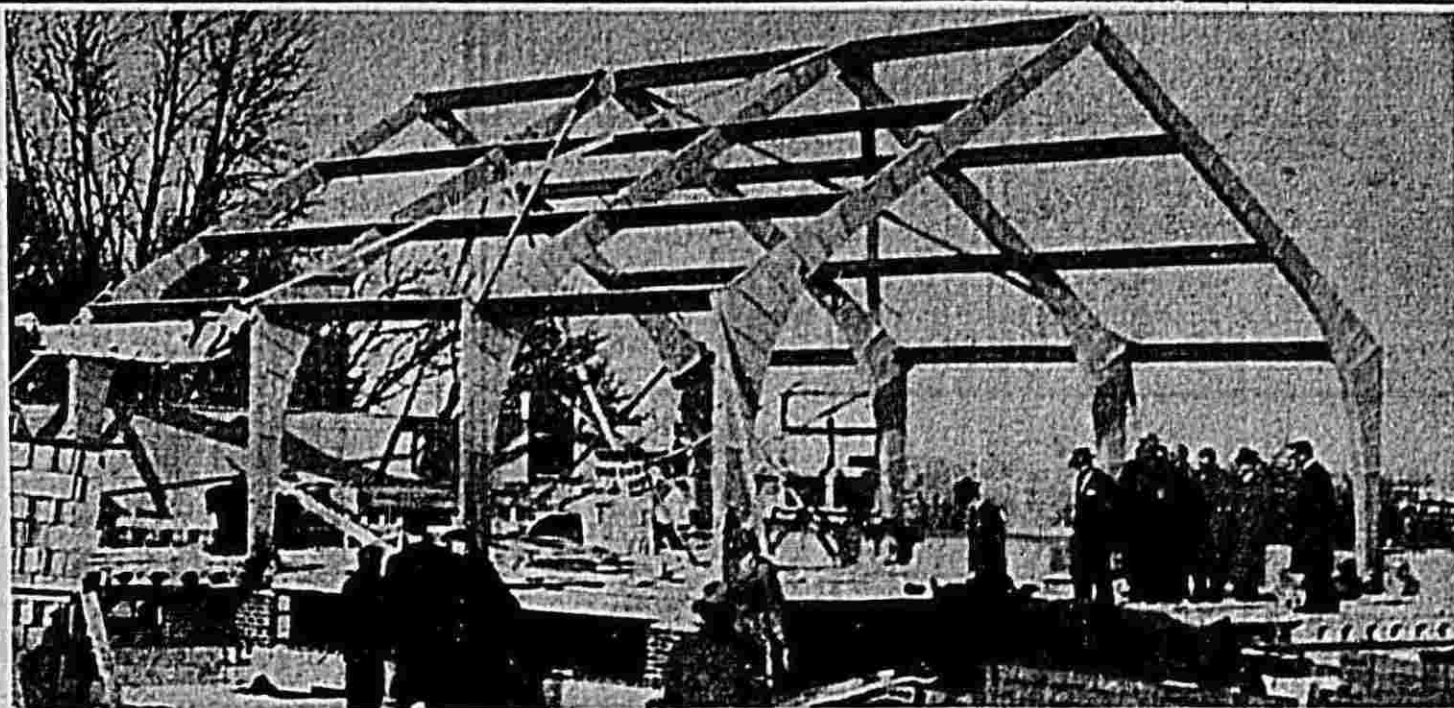

Emphasize World Peace At Methodist Services

"World Peace" will be a special emphasis during the month of February for the congregation of the Methodist Church of Antioch, according to Rev. Howard Benson, minister, and Miss Carol Bean, chairman of the committee on world peace and social action of the church.

More than 50 copies of the study booklet "Plowshares and Pruning Hooks" have been distributed among the congregation and will be used as the basis for a series of three Sunday evening discussions at the church beginning at 8 p. m. this Sunday.

The discussion this Sunday will be led by Albert Dittman and O. W. Turner. The morning sermon will

Faith Evangelical Church Officials Lay Corner Stone for New Temple

In the top picture officials of the church are shown inspecting the partly completed edifice of the Faith Evangelical Lutheran Church on Rte. 21 south of the village at the time the corner stone was laid Sunday.

In the lower picture the copper box containing the names of the members of the congregation, architect plans, various newspaper clippings, and coins of present date, is ready for lowering into position. Observing and participating in the ceremony are, left to right Melvin Harms, Otto Hanke, B. J. Bruns (architect), Elmer Rentner, the Rev. Charles Found, Bristol, Wis., (guest preacher) the Rev. R. P. Otto, pastor of the church in charge of the ceremony; Henry Rentner, Don Holem, Walter Baethke, Herman Quess, and Roy Norstrom, contractor.

Lahti Incubator Baby Undergoes Operation

Jeffrey Lee, infant son of Mr. and Mrs. W. V. Lahti leaped one more obstacle last week when he underwent surgery at the Children's Memorial hospital in Chicago for the correction of an abdominal muscle.

The child, born prematurely and weighing about 3 pounds at birth, was able to survive through care in an incubator at Condell Memorial hospital at Libertyville. Three days after he was brought home the muscle started strangulation of the bowel and Jeffrey Lee was taken to Chicago for the corrective surgery. Now he is back home again making satisfactory recovery.

also center upon the theme of "World Peace."

Those persons in the community who are interested in this subject are cordially invited to participate.

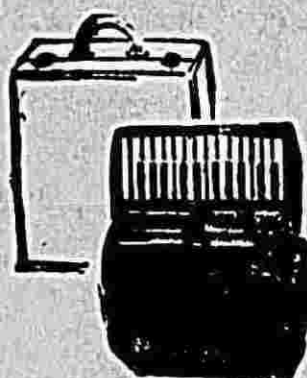

Card of Thanks

We would like to express our sincere appreciation and thanks to the Antioch Fire Department for its fine work and thoughtfulness in responding to the fire at our residence. Also to friends and neighbors and

the boys from the telephone company.

Even the bumps are smoother in the '55 Buick ride

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever in history—topping the popularity that has already made Buick one of the "Big Three."

To be completely honest—there are some bumps which *nothing* will level out completely.

Yet even the real rough ones turn out a lot smoother when you take them in a 1955 Buick.

And that's not just our say-so. New owners of these bright new beauties keep telling us that.

So you may wonder—how come? What's different about the Buick ride that makes it such a marvel?

The answer is—plenty.

Most cars have coil springs on front wheels only. Buick has them *all around*—and this year they're newly calibrated for even deeper smothering of jounce and jar. So here your ride is balanced, buoyant, level, serenely smooth.

Most cars drive through the rear springs. Buick drives through a *torque-tube* that takes up all driving thrust, wipes out rear-wheel wiggle and wag, steadies your going to a sure and solid track.

And no other car in all America has these great comfort extras *plus* the backbone of a massive X-braced frame *plus* both direct and lever-type shock absorbers to snub after-bounce *plus* a special front-end geometry to stabilize "cornering" *plus* tubeless tires on

extra-wide rims for softer riding and greater stability.

Surely, you owe it to yourself to *try* this great Buick travel, just to judge things for yourself.

You'll find it the nearest thing to velvet on wheels—and made even more so by the silkiness of record-high V8 power and the absolute smoothness of new Variable Pitch Dynaflo.* Come visit us this week—for sure.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Heart Association Offers Suggestions

Springfield—As Heart Month gets under way in Illinois, the Illinois Heart Association and its affiliated chapters have some suggestions for heart protection during the coming year. For those who want to protect their hearts and to live longer and happier lives, the Illinois Heart Association presents this Heart Primer:

- (1) Avoid self-diagnosis. (See your doctor and you'll avoid needless fear and anxiety. If treatment is needed, it can be started at once.)
- (2) Avoid over-exertion. (Particularly if you are over 40). Exercise in moderation.
- (3) Avoid over-fatigue. (Get the amount of sleep you require. Your heart works round the clock, but its work is lightened when you rest.)
- (4) Avoid over-weight. (Extra weight loads extra work onto your heart and blood vessels.)
- (5) Treat respiratory infections promptly. (The cold weather months on the average bring about a 13 per cent increase in deaths from heart and circulatory diseases.)
- (6) Avoid worry.
- (7) Support the Heart Association. (Its work in research, education and community service programs is a crusade against the diseases of the heart and blood vessels which are annually responsible for more than 55 per cent of all deaths in Illinois. Any contribution for the Heart Fund will help the Heart Association stamp out the common diseases of the heart, which at this time are hypertension, coronary heart disease and rheumatic fever.)

The Women's Society of Christian Service of the Methodist church will hold a social meeting Wednesday afternoon, Feb. 16 at 1:30 p. m. at Wesley hall. Devotions will be led by Mrs. Edward Jahneke, Mrs. Warren Polley will review the book "The Power of Positive Thinking" by Norman Vincent Peale. Mrs. William Petty and her committee will serve refreshments.

The Grass Lake P. T. A. will hold a Valentine dance at the school on Saturday, Feb. 12 at 8 p. m. Proceeds will be used to buy playground equipment.

Jayvees Lose to Rams; Win From Bulldogs In Very Close Games

In two of the most exciting games of the season the Antioch Jayvees split even in their games during the past week.

The underclassmen lost to Grayslake 57 to 58 here Friday and then on Tuesday won from Grant 48 to 45 overtime.

The Jayvees led Grayslake until the last second of play when a Grayslake freethrow decided the victory. Antioch outscored the Grayslake frosh-soph team 24 to 12 from the floor, but Grayslake made a total of 34 free throws.

The overtime victory was the third for Antioch in the last four games in two years of play between the two schools. Jerry Huml tied the game at 40-all with a free throw after the final gun.

Just as the score advantage had seen-sawed back and forth, it continued to do so in the overtime period and a field goal by Lonnie Christensen drew the Jayvees a three-point margin at the end of the overtime.

Only Car at its Price*...

So Smart! So Big! So Powerful!

*You can buy a big, powerful Pontiac for less
than many models of the lowest-priced cars!

Whatever you want most in a car—
beauty, size or performance—you get it
in extra measure in a Pontiac. In fact,
when you choose Pontiac the decision
comes very easily—because Pontiac alone,
at its price, gives you everything!

For example, take Pontiac's distinctive
smartness. Certainly there is no question
on this point. Pontiac is the one car that
stands apart from all the others.

If it's size and big-car sure-footedness
you want—Pontiac's your car! Pontiac's
long wheelbase—124 inches in the Star

Chief, shown here, and 122 inches in the
860 and 870 series—is the plus wheelbase
that provides the roominess, the comfort,
the satisfying road-hugging security that
only a big car can supply.

As for performance—once you get be-
hind the wheel you have all the proof you
need that Pontiac is way ahead in this
department, too. Pontiac's spectacular
performance starts with the most modern
engine of all—the powerful new Strato-
Streak V-8—specifically designed for Pon-
tiac's all-new chassis to give you balanced

performance. That means smooth, eager
getaway in traffic; power to spare on the
open road; and even more of Pontiac's
traditional economy, dependability and
long life.

All this adds up to a wonderful car and
—with Pontiac's remarkably low price
tag—a very wonderful buy. Come in soon
and talk dollars and cents. If you're in
the market for any new car, you'll dis-
cover you can easily afford all the pride
and pleasure of a big, powerful, luxury-
loaded Pontiac.

Go Modern... Go **Pontiac**

Two sisters, Mrs. Mabel Mickie, Mrs. Roy Alden, one brother, Mr. Gilman Worden, Walworth, five sons: Charles, Noah, Edgar, Clyde and Irven; four daughters, Mrs. Henry Ebert, Mrs. Leslie Wilson, Mrs. Herman Backaus, Mrs. Lloyd Holly was unable to attend. Twenty-three grandchildren and twelve great-grandchildren, nieces and nephews attended. She received a lot of very nice gifts.

LEGAL NOTICE

TAX SALE NOTICE
Certificate No. 198, Vol. 2, page 124.
STATE OF ILLINOIS)
COUNTY OF LAKE) ss.
TO: Occupants or persons in actual possession of real estate hereinafter described.
TO: Jack B. Carpenter, Jr., Nellie B. Carpenter, the persons in whose name the real estate was last assessed for general taxes; to Jack B. Carpenter Jr., Nellie B. Carpenter and Caroline Anderson, the unknown spouses if any of Jack B. Carpenter Jr., Nellie B. Carpenter and Caroline Anderson, and to all unknown owners or parties interested in the real estate hereinafter described, and the County Clerk of Lake County, Illinois.

Take notice, That at a sale of lands and lots for general taxes duly made in the County and State aforesaid, Oliver R. Hughes purchased on the 10th day of November 1952, the real estate described as follows:

Lot 245 in Owner's Subdivision of Lots A to G inclusive in Felter's South View Beach Unit No. 2 in the NE 1/4 of Section 12, Township 48 North, Range 8, E of the 3rd P. M., Lake County, Illinois, according to the plat thereof recorded May 7, 1934 as Document No. 400008 in Book X of Plats, page 6; that the taxes included in the judgment for which the real estate was sold were the taxes levied and assessed thereon for the year of 1950 and 1951 and prior years. That the time of redemption from said sale will expire on the 27th day of May 1955 by order of extension of redemption date by the County Court, Lake County, Illinois; that all of said proceedings appear in Gen. Case No. 11428 County Court of Lake County, Illinois; that judgment for sale was entered

pursuant to order of judgment for sale of said real estate, on October 15, 1952 in said County Court and in said General Case No. 11428 entitled "In the matter of the Application of the County Collector for judgment and sale against lands and lots re-

turned delinquent for non-payment of general taxes for the year of 1950 and prior years" being the same proceedings wherein judgment of sale was entered upon which the above described tax sale was had, praying that the court direct the County

Clerk to issue a tax deed conveying the above described real estate to Oliver R. Hughes, if said real estate shall not be redeemed from the said tax sale; that said real estate was last issued and taxed for general taxes in the name of Jack B. Car-

penter, Jr.; that Oliver R. Hughes intends to apply to said County Court on May 28, 1955, the extended date by court order aforesaid, for an order for tax deed, if the above described real estate shall not be redeemed from said tax sale, within

the time allowed by law.

Priced much less than you might expect, the Chrysler Windsor Deluxe offers a brand new, high-powered Spitfire V-8 engine. Also available are exclusive Chrysler

advantages like PowerFlite fully-automatic transmission... Full-time Power Steering... and new, double-width pedal Power Brakes. In style, economy, and top quality engineering, everything points to this car as "the car of the year." The power of leadership is now, more than ever, yours in a Chrysler... It will be well worth your while to drive it!

BE SURE YOU SEE AND DRIVE THE ALL-NEW

BIG BILL

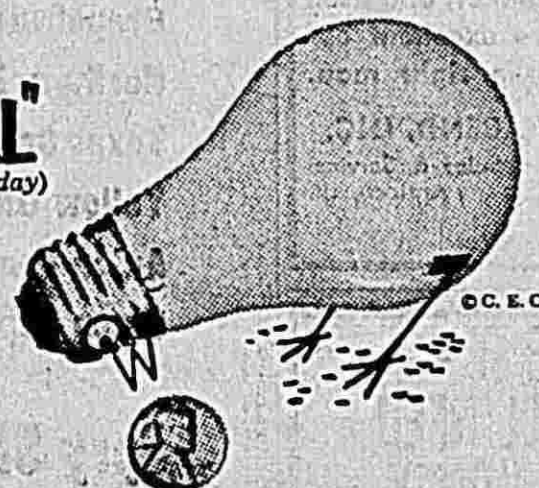

THE COST-OF-LIVING BIRD
(He's twice as big as he was 25 years ago)

PUBLIC SERVICE COMPANY'S

"LITTLE BILL"

(He still costs you pennies a day)

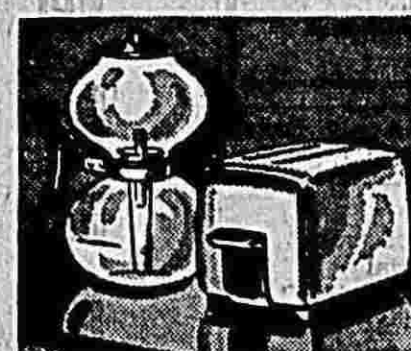

How Public Service Company keeps your electric bill down

(while everything else goes up)

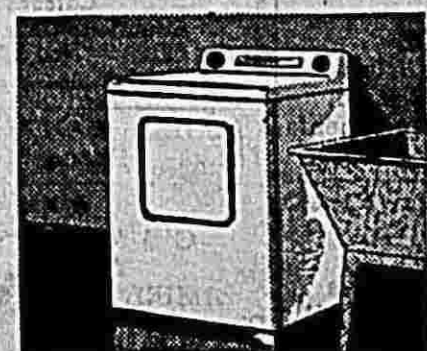

Cost of living has doubled, but *electricity*, your taken-for-granted lifeline to better living, actually costs you less per kilowatt-hour than it did 25 years ago.

One of the ways Public Service Company keeps your electric bill down is by *planning tomorrow's power supply*. For instance, we have a miniature electric system with which our engineers can calculate a new neighborhood's power needs 5, 8, even 10 years ahead. That way, we know what kind of lines to use and where to locate them to bring you better service for less.

So today, while you're using far more electricity than 25 years ago, you're getting almost *twice* as much of it for your money.

Less than 1¢ is all it takes for electricity to make 8 cups of coffee and 8 pieces of toast for your breakfast.

For less than 3¢ your whole week's wash is done in your work-saving automatic electric washer. Saves time, too.
